e-mail@of.the.presenting.author (Cambria 11pt, italics)

Keywords: (Cambria 11 pt)

In this area of the template you must write a summary of your contribution, in a maximum of 1 DIN A4 page, using Times New Roman 11 pt. All paragraphs must be justified. The summary must allow to assess the scientific/technical interest of your contribution. It can contain figures, graphics, tables and references.

Margins: 2.5 cm / 0.98 in. for upper margin, 2.5 cm / 0.98 in for bottom margin, 2.5 cm / 0.98 in. for left margin and 2.5 cm / 0.98in. for right margin.

References must be indicated by numbers within square brackets, as superscripts, following punctuation symbols, in the indicated format for journals,^[1] and books,^[2] as shown below. Please do not use automatic numbering to add footnotes/endnotes if you are using MSWord.

The use of a TOC graphic is highly recommended. The image must be included at the bottom of this abstract (before the references). The text and the image must fit within the 1 page limit. The resolution of the image should not exceed 300 dpi.

The final file must be saved in MSWord format, indicating in the name and the last name of the registered presenting author, followed by the type of contribution (oral, flash or poster), for example: Name_Surname_poster.doc
